Hi there,

After much effort from many folks, the first draft of the U&O FIP will be posted tomorrow on the SharePoint site for the start of a concurrent internal technical review period for region 8 and HQs folks. We are asking for comments no later than November 6. We are also on Shaun's calendar for 10/26 to provide him an update and ask for his help in keeping this effort moving through the higher levels of the agency. Let me know if you have any questions.

Thanks,

Dee
